

Rick Hyndman

June 2001

Rick Hyndman is Senior Policy Advisor, Climate Change for the Canadian Association of Petroleum Producers and Adjunct Professor of Energy Policy at the School of Business, University of Alberta. He spent 13 years in the Alberta Department of Energy, serving as Deputy Minister from 1995 to 1997.

He was heavily involved in the National Climate Change Process Issue Tables, serving as co-chair of the Electricity Table and participating actively in the Tradeable Permits Working Group, the Integrative Group, and the AMG Liaisons, and continues that involvement as part of the advisory network for the DET Working Group and AMG, and as one of the industry stakeholder representatives on the Canadian delegation to Subsidiary Bodies and COP meetings.

Rick has an Honours BA in Economics from the University of Alberta, an MSc (Econ) from the London School of Economics, and a PhD in economics from the University of Toronto.
