Ministry of Water, Land, and Air Protection
Region 8
April 2005

All work conducted in and around a water body must receive approval (Section 9 - Water Act) from Land and Water BC Inc. or authorization (Section 7 - Water Act) from the Ministry of Water, Land, and Air Protection. Applications can be found at http://wlapwww.gov.bc.ca/okr/esd/instream.html or contact 250-490-8200.

Please refer to appropriate BEST MANAGEMENT PRACTICES and the "User Guide to Working In and Around Water" for more details on conducting your works (see http://wlapwww.gov.bc.ca/okr or contact 250-490-8200).
