Comments must be emailed and/or mailed by June 8, 2018.

To ensure your submission is as effective as possible:

- Read the [Public Information Paper](#);
- Read and understand the [Tetrahedron Park Management Plan](#) and the options being presented by BC Parks to address the requested permit amendment;
- Make your submission clear and concise;
- Confirm whether you agree or disagree with the proposal to adjust the boundary of Tetrahedron Park to allow for improvements to the community water supply infrastructure – clearly state your reasons (particularly if you disagree) and provide supportive information where possible; and, suggest alternatives to deal with issues you disagree with.

(1) What is your level of use in Tetrahedron Park (list activity and frequency of use)?

(2) Have you read the Tetrahedron Park Management Plan?

(3) What are your general thoughts about re-designation options for Tetrahedron Park?

(4) Are there options (or aspects of the options) currently presented by BC Parks that you agree with?

(5) Are there options (or aspects of the options) currently presented by BC Parks that you disagree with?

(6) Do you have any other comments you would like to provide to BC Parks regarding the Tetrahedron Park re-designation options?
