CAUTION

- Unpredictable weather may occur at any time of the year. Be self-sufficient and prepared for storms, poor visibility and an unexpected overnight stay.
- Expect difficult travel through snow/ice on high elevation trails and over wind fall on low elevation trails during the early season.
- Natural hazards exist on the trails all year. Be aware of dead standing trees near backcountry campsites and other facilities. Use at your own risk.
- Trail assessments / clearing have not yet been completed on some trails, see comments column below.

General Information

- The backcountry of our Provincial Parks is **user maintained**.
- Garbage removal service is not available. Please help by packing out all of your garbage as well as any garbage left behind by others.
- Bear proof containers are for overnight users to store of food and scented items only, they are not for use as garbage receptacles.
- Please use the pit toilets provided.
- Please stay on trails to prevent trail braiding and impacts to the environment.
- **Fires in the backcountry are prohibited.**
