

## Garibaldi Provincial Park Trail Conditions

December 8th, 2017

Garibaldi Park is located in the coast mountain wilderness and the weather can be severe and unforgiving. Be well prepared, properly equipped and informed before entering the backcountry. Day visitors should be capable of camping overnight in case of injury, accident or extreme weather. Avalanche and glacier hazards exist in Garibaldi Park. Traveling beyond the maintained trail requires special equipment, skills, ability, and knowledge.

Garibaldi Park is a user-maintained park. Garbage removal service is not available. Please help by packing out all your garbage and any garbage left by others. If you use the shelters, clean the facilities prior to your departure. Please use the outhouses provided. Toilet paper is not supplied.

**All camping in Garibaldi Park requires purchase of a camping permit.**

**Pay camping fees at:**

	<b><u>Trail Difficulty Rating</u></b>		<b><u>Trail Type Rating</u></b>
<b>E</b>	Easy	<b>Type I</b>	1.5 to 2.5 m wide, paved, gravel or board walk, less than 10% grade.
<b>M</b>	Moderate	<b>Type II</b>	1.5 m wide, gravel surfacing in wet areas, up to 15% grade.
<b>S</b>	Strenuous	<b>Type III</b>	0.5 m wide, grade greater than 15%
<b>D</b>	Difficult	<b>Type IV</b>	0.3 m wide, lightly used wilderness trail, infrequent maintenance.

- Ratings are determined based on the length of the trail section, change in elevation and trail type for the average park visitor.
- Elevations shown are estimated for the trail section and reflect the maximum gain or loss.

### **Dogs and Fires are Prohibited in Garibaldi Park**

Diamond Head					
Trail	Estimated Distance (km)	Estimated Elevation Gain (m)	Trail Difficulty	Trail Safety Information	Trail Condition
