

Garibaldi Provincial Park Trail Conditions

May 17, 2019

Garibaldi Park is located in the coast mountain wilderness and the weather can be severe and unforgiving. Be well prepared, properly equipped and informed before entering the backcountry. Day visitors should be capable of camping overnight in case of injury, accident or extreme weather. Avalanche and glacier hazards exist in Garibaldi Park. Traveling beyond the maintained trail requires special equipment, skills, ability, and knowledge.

Garibaldi Park is a user-maintained park. Garbage removal service is not available. Please help by packing out all your garbage and any garbage left by others. If you use the shelters, clean the facilities prior to your departure. Please use the outhouses provided. Toilet paper is not always supplied.

All camping in Garibaldi Park requires purchase of a camping permit.
