

GOLDSTREAM PROVINCIAL PARK

Relax and enjoy a summer at beautiful Goldstream Provincial Park, just 15 km from downtown Victoria. Bring your summer guests or your family and experience the temperate rainforest like you never have before!

Book your stay in one of our 173 campsites amidst stunning old growth Douglas Fir and enjoy our **free** amphitheatre programs. For a fun, engaging learning experience and a chance to earn a certificate and prizes, we offer the amazingly popular “Jerry’s Rangers” children’s programs in the afternoons. Then, in the evenings, join us for exciting and interactive programs for all ages on Goldstream’s hottest topics! We welcome both campers and locals to our free campground programs. Check out our program schedule for more information. To reserve a campsite please call Discover Camping at **1-800-689-9025**.

For a day trip, the day-use area of the park offers picnic shelters, fire pits, and washrooms all under the canopy of massive western red cedars and broad-leaf maples and just steps away from the Goldstream River. Challenge yourself with a hike up Mt. Finlayson or meander along trails that take you past beautiful waterfalls, an abandoned gold mine, and up to ridges with incredible views of the river valley.

Follow the river just ten minutes downstream to experience the popular **Goldstream Nature House**, open everyday from 9:00am to 4:30pm. Explore some of our brand new exhibits including a giant microscope and a running-water river model. Spy on the park wildlife with our remote control camera or watch a nature movie in the Goldstream Cinema. In the bookstore, browse through the largest collection of natural history books and field guides on Vancouver Island and treat yourself to fresh coffee, bottled drinks, snacks and ice cream. Friendly and knowledgeable park naturalists are always on hand to answer all of your questions!

This summer, we are pleased to offer some awesome new special events and activities! Join us at the Nature House on Wednesday mornings at 9:30 am for some Nature Yoga- be inspired by your beautiful surroundings! Bring your dog out to the park (on a leash of course!) for the Dog Days of Summer. And then join us at the end of summer for Art in the Park. Check out the schedule in this guide for the details.

For more information on these exciting programs and events please call the Goldstream Nature House at **(250) 478-9414** or visit www.naturehouse.ca.
