Notes

This is a wilderness area. Be well prepared before entering the backcountry. Park users should always be aware of bears and other wildlife in the park environment.

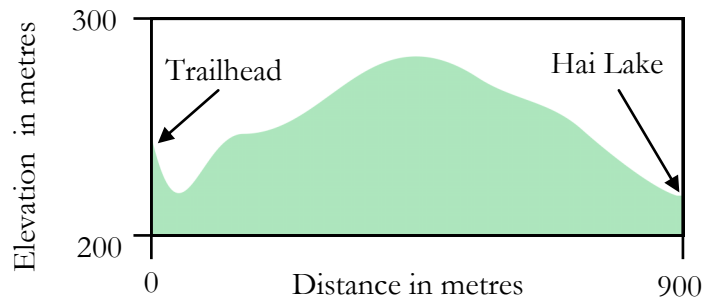

About Hai Lake/Mount Herman Provincial Park

Hai Lake/Mount Herman Park was established in 2004. This park protects regionally significant and remnant old growth forest and bog ecosystems as well as recreation opportunities close to Terrace.

Hai Lake Trail

The Hai Lake trail is approximately 1 km long and climbs over a gentle rise en route to Hai Lake. There is a picnic/camping site at Hai Lake with tables, a pit toilet and opportunities for swimming and fishing.
