FILM PRODUCTION PARK USE PERMIT APPLICATION

Film Production activities may only be undertaken in a provincial park or protected area (both being referred to as a “protected area” in this application), when authorized by a valid permit issued by the Ministry of Environment (referred to here as “BC Parks”) under the *Park Act* and *Environment and Land Use Act*. Only applications that are considered by BC Parks to be compatible with the conservation and recreation objectives identified for the protected area(s) involved in the proposal will be evaluated.

Please complete this application and submit it with the detailed proposal description, for evaluation, to the Park Use Permits address on page 2 of this application. Supplying insufficient information will delay evaluation.

NOTE:

- 1. Filming activities must be approved in principle by a BC Parks Representative either over the phone or following a pre-authorization site meeting prior to submitting an application. Upon submission of a complete application and application fee, allow 5 business days for preparation of the permit documents following our receipt of your application and application fee.**
2. Submission of this application does not entitle the applicant to any rights or permission to proceed with any activity in any protected area and BC Parks reserves the right to refuse any application.
3. More information may be requested from the applicant during review of this application.
4. This application is subject to review under the BC Parks Impact Assessment Process.
5. Final approval will only be given upon receipt of a completed BC Certificate of Insurance for Comprehensive General Liability to a value of \$2 million, appropriate financial bonding and payment of the permit fee.
- 6. A \$500.00 (plus applicable taxes) non-refundable Application Fee is due upon submission of application. Payment can be made by VISA/MasterCard, American Express or by cheque payable to the Minister of Finance.**
