

Windermere Lake Park Draft Management Planning Process Public Comment Form

BC Parks is in the process of seeking public input as part of the initial planning stage in the development of the Draft Management Plan for Windermere Lake Park.

We welcome your comments or suggestions on this management planning process. If you require more space, please include additional numbered pages. Please write clearly. Revisit the BC Parks Windermere Lake management plan website for more information and updates on the planning process. Subscribe to BC Parks RSS feed for notification emails of updates right to your inbox.

Have you even visited Windermere Lake Park? If yes, what did you do there? What was the reason you elected to visit that BC Park?

If it were possible to enhance the recreation opportunities without impacting the park’s conservation values, what activity would you like to see developed/increased?

What do you see as being the key management issues for Windermere Lake Park?

Is there any additional information that you feel would assist this management planning process?

Thank you for your participation in the management planning process for Windermere Lake Park. Your comments are most appreciated. Please send this completed form to the address below.
