

The map displays a topographic representation of a study area. Four distinct zones are highlighted in green: zone 1 (bottom left), zone 2 (top left), zone 3 (center), and zone 4 (right). Two sub-basins are also identified: SBS dw 1 (center) and SBS dw 2 (top left). The map features contour lines indicating elevation, with labels such as 900, 1000, and 1100. Water bodies, including lakes (e.g., Big Lake, Little Lake, Marguerite Lake) and streams (e.g., Little Creek, Marguerite Creek), are shown in blue. A grid system is overlaid on the map, with coordinates ranging from 570 000m E to 580 000m E and 5804 000m N to 5816 000m N. The map also shows a road network and various land use features, including agricultural fields and forested areas.

Legend	Map
High Habitat Stand Structure	Long Term Open Range (Grassland Benchmark from Grassland Strategy)
Moderate Habitat Stand Structure	Grasslands Currently Tree-Encroached (air photo interpretation)
Low Habitat Stand Structure	Mule Deer Winter Range Boundary
Non-Productive (Urban, Wetland, Swamp, Rock, Clay Bank, Clearing, Non-Productive Brush, Rock)	Biogeoclimatic Sub-Zones
	Habitat Management Zones
	Woodlots
	Private Land
	Topographic Buffer
	Ridge
