

MAP 2

- Airphoto transect flight lines
- Landscape Units
- Parks and Protected Areas
- - - Forest Roads
- Other Roads
- Active or Retired Cut Block
- ▨ Pending Cut Block

1:200,000

Note: Flight line lengths are estimated, as airphoto center coordinates were not available at the time this map was created. Flight lines were generated based on UTM Northings provided by the airphoto flight contractor (Terrasaurus).
