

**Timber Harvest Dates within the
Northern Caribou Strategy
Conventional Harvest Area**

- Harvest Period**
- post 2002
 - pre 2002
- Legend**
- Northern Caribou Strategy Area
 - Conventional Harvest Area
 - Parks & Protected Areas

1:525,000

Produced by: Regional Geobc, Williams Lake
Date: March 19, 2009

Timber harvest dates were determined using a combination of FTEN Cut Block polygons and RESULTS Opening polygons. See "Timber Harvest History Analysis.doc" for analysis details.
