10. PEM final report (pem\_4322\_pro.rtf)
11. Quality assurance letter (pem\_4322\_qa01.pdf)

Timberline certifies that the above files have undergone Quality Assurance and meet RISC PEM standards.

The digital files associated with this project have been posted to the Timberline FTP site. The directory contains two folders: MOE Deliverables and LP Deliverables. The LP folder contains all RISC deliverables, but many in different formats. For example, RISC requires all word documents in **.rtf** format and all databases in **.csv** format. In the LP folder, word documents are delivered in **.pdf** format, and databases in **.mdb** or **.xls** format. All hard copies of the field transect cards, aerial photography, and other hardcopy project materials will be delivered to LP via courier.

If you have any questions about this project, please do not hesitate to contact us. Thank you again for the opportunity to provide our services to you.

Sincerely,

Shikun Ran, R.P.F.  
Senior Ecologist/Ecology Manager
