

Tips on Up-Loading the Files to the Fish Data Submission FTP site ftp://ftpfsh.env.gov.bc.ca/pub/incoming/fish_data_submissions/

Using Microsoft Internet Explorer web browser:

1. To upload files you need to view the FTP site through Windows Explorer (see bottom of Tips).

Windows XP (Internet Explorer, version 6 or 7) users: If you are not able to immediately view the Windows Explorer view of the FTP site after clicking on ftp://ftpfsh.env.gov.bc.ca/pub/incoming/fish_data_submissions/, you may have to do the following:

- a. **Select:** Tools>Internet Options>Advanced>Browsing
- b. Ensure the box for "Enable folder view for FTP sites" is "**checked**"

Windows Vista users: If you click on ftp://ftpfsh.env.gov.bc.ca/pub/incoming/fish_data_submissions/ and get the "FTP directory" view, click **Page**, and then click.

- a. **Select:** Page>Open FTP Site in Windows Explorer Internet

2. Copy the desired file from your computers Windows Explorer (i.e. right click on the file you are uploading to the FTP site and select copy)
3. Leaving your Windows Explorer window open, switch back to the ftp site
4. Right click on the empty white space inside the box where you see other files that have been submitted (assuming other files are currently uploaded on the ftp site), and then select paste

Using Mozilla / Firefox web browser:

Go to <https://addons.mozilla.org/en-US/firefox/search?q=ftp+&cat=all> and download the FTP add-on for Firefox (the "FireFTP" application). Install the add-on in Firefox following the recommended instructions.

Using a FTP client application for PC or Mac (Necessary for Mac) users:

Use the following information to connect to the Fish Data Submission FTP site:

Host name: [ftpfsh.env.gov.bc.ca](ftp://ftpfsh.env.gov.bc.ca)

Folder: [/pub/incoming/fish_data_submissions/](ftp://ftpfsh.env.gov.bc.ca/pub/incoming/fish_data_submissions/)

If prompted for Username and Password try 'anonymous' for each

NOTE: If you experience any problems uploading your files to this site, please stop the submission process and send an email indicating the nature of the problem to: fishdatasub@gov.bc.ca.
