**Note:**  
 Most snowmobile closed areas are effective year round, however, please refer to the Hunting and Trapping Regulations Synopsis at [www.env.gov.bc.ca/fw/wildlife/hunting/regulations/](http://www.env.gov.bc.ca/fw/wildlife/hunting/regulations/) for areas that may have a seasonal closure in effect. Before entering an access trail through a snowmobile closed area to reach an open riding area, riders must refer to the Hunting and Trapping Regulations Synopsis to be aware of timing and other restrictions that may apply. Before entering an open riding area proposed for Stewardship Management Agreement, riders must contact local clubs to be aware of any restrictions that may apply.

**Warning:**  
 Proceed at your own risk. Mountain environments are prone to avalanches and other natural hazards. Be trained in avalanche skills, be familiar with avalanche conditions, and carry a transceiver, probe and shovel. For more information on avalanche safety, contact the Canadian Avalanche Centre at 1-800-667-1105 or visit [www.avalanche.ca/](http://www.avalanche.ca/)
