Dear Angling Guide:

I would like to take this opportunity to inform you of the following changes that will take place for the 2010-2011 angling season.

1. As required by the *Financial Administration Act*, interest will be charged on ALL overdue 2010-2011 angler day accounts. The current rate is 3% above the prime lending rate and it is adjusted quarterly. Please note this letter **does not** imply that your account is in arrears. This is notification only of our new policy.
2. An angler-day invoice will be sent to you in April 2010. This invoice will indicate the total angler-day fees owing for the 2010-2011 season (45% due May 31 and 55% due September 30, as per section 11.4 of the Angling and Scientific Collection Regulation).

Again, I would like to re-iterate that this letter is for information purposes only, and does not imply any outstanding issues at this time.

If you have any questions or concerns regarding the above, please call our office toll-free within BC at 1-866-433-7272 or outside BC at 250-387-2928.

Sincerely,

Yvonne Foxall
