

APPLICATION FOR PERMIT TO IMPORT Live Wildlife or the Egg of a Wildlife Species

Wildlife Act Sections 20(1) & 21

Applications for permits will be approved only if the Director, Wildlife Branch has enough information to find that the specimen(s) have been obtained legally, that their movement will not be detrimental to the survival of the species, and the recipient is adequately equipped to house and care for them. All questions are applicable to live specimens only. Please use additional paper if space is insufficient.

A- NAME AND COMPLETE ADDRESS OF IMPORTER (provide telephone and fax numbers and e-mail address): Include D.O.B. if importer is an individual Day Year Include full legal name if importer is a corporation

B- NAME AND COMPLETE ADDRESS OF APPLICANT IF DIFFERENT THAN IMPORTER (provide telephone and fax numbers and e-mail address):

| Include D.O.B. if applicant is an individual | / | <u> </u> | |
|---|------|----------|-----|
| | Year | Month | Day |
| Include full legal name if applicant is a corporation | | | |

C- NAME AND COMPLETE ADDRESS OF SUPPLIER (provide telephone and fax numbers and e-mail address):

D- DESCRIPTION AND QUANITY OF SPECIMENS OR PRODUCTS

| | Scientific and Common Names | Description | <u>Quantity</u> |
|---|---|--|-----------------|
| | Indicate the scientific name (genus, species and, if applicable the subspecies) and the common name | Indicate if live or an egg of a wildlife species; the size ; any marks such as tattoos, band, microchip, | |
| | applicable the subspecies) and the common name | ISIS, studbooks or serial numbers and any | |
| | | distinctive markings; the sex, i.e. male, female, | |
| | | unknown; and the age or date of birth | |
| | | | |
| 1 | | | |
| | | | |
| | | | |
| | | | |
| 2 | | | |
| | | | |
| | | | |
| | | | |
| 3 | | | |
| | | | |
| | | | |
| | Add an extra sheet if more than three species | | |

E- SOURCE AND ORIGIN

(If from the wild, complete E-1; if born in captivity, complete E-2)

E-1 (from the wild):

1) Where and when was the specimen captured or removed from the wild?

| | Yes [If yes attach copy]; No [If no, why not] |
|-------|---|
| | Indicate the permit number(s) and provide a copy of the export permit issued by the country of origin (where remo from the wild) and copies of all other applicable licences/permits. |
| E-2 | (born in captivity) |
| 1) | Where and when was the specimen born in captivity? Provide the name and full address of the breeder |
| 2) | Attach a copy of certification of birth from the breeder. |
| | If the specimen was traded internationally, please provide copies of all applicable permits that authorised its international movement. Identify the permit number(s) below: |
| | |
| If th | <u>POSE</u> e specimen/product is to be imported primarily for purposes of breeding, complete F-1; for education/display, plete F-2; for scientific purposes, complete F-3. If for any other purpose, please tick-off the appropriate box and ide further details, immediately below:) |
| | commercial Personal Other Decific purpose of import: |

F-1 (for breeding)

| 1) | What is the intended | I role of specimen | in recipient's breeding | g or research program? |
|----|----------------------|--------------------|-------------------------|------------------------|
| | | | | |

2) What is the intended role of recipient's breeding program in recovery of species (e.g. in a Species Survival Plan)?

F-2 (for educational/display)

1) What education program will the species be used in and how will it benefit the species?

F-3 (scientific)

1) What is the objective of the project?

2) Why is the specimen(s) required? _____

3) What benefit will there be to the species or to scientific knowledge?

G-HOUSING AND CARE

G-1 What institution or individual will provide final housing and care? Provide name and full address.

| G-2 | Has the recipient had experience with the species being applied for? Yes [please respond to G-2(1) to G-2(4)]; No [please respond to G-2(5) and G-2(6)] |
|-----|---|
| | IF YES: |
| 1) | How many specimens of the species being applied for, by sex, does the recipient possess? |
| 2) | How long has the recipient bred this species? |
| 3) | Breeding success: how many specimens were born in the recipient's facility per year? |
| 4) | Any mortality? If yes, explain amount and cause(s): |
| , | |
| | |
| 5) | Explain how recipient proposes to cope with lack of direct experience. |
| | |
| 6) | If the recipient had experience in breeding species closely related to the species being applied for, provide the name of the species bred and the same information as requested under sections G-2(1) to (4) |
| | |
| G-3 | Please describe the facilities that will house the specimen. Provide diagrams, photographs, with dimensions: |
| | |
| G-4 | State what steps are being taken to ensure that public safety will not be jeopardized by the proposed import. (required by section 10, of the Permit Regulation BC Reg. 253/2000) |
| | |
| | |
| | |

H- GENERAL

| H-1 Is the import being arranged by a dealer or br | oker? Yes No | | | | |
|--|----------------------|-----------------|--|--|--|
| If yes; please provide a copy of the agreement between the dealer and the institution to receive the specimen. | | | | | |
| H-2 Where are the specimens presently located? Please tick-off appropriate box. | | | | | |
| In BC Outside Canada | Detained by: | Canada Customs | | | |
| In Canada, but outside BC | | Foreign Customs | | | |
| H-3 If known, indicate BC port of entry: | | | | | |
| H-4 Indicate approximate date of entry into BC: _ | // Year Month Day | | | | |

H-5 If granted, the permit will be mailed back to the applicant (i.e the person who signs the application and identified in either sections A or B). Please indicate if you would like the permit to be mailed back to another person by providing his/her name, full address, telephone and fax numbers on a separate sheet.
