Environmental Guidelines for Urban and Rural Land Development in British Columbia

March 2006

Appendix F

FACT SHEETS

The Ministry of Environment has prepared a series of fact sheets addressing specific topics of urban and rural land development. The intention is to make some key information available in a concise handout aimed at specific groups. More detailed information is contained in the appropriate sections of *Develop with Care*.

To date, the following titles are available in this series:

Fact Sheet 1: A Resource for Local Governments

Fact Sheet 2: Small Lot Developments

Fact Sheet 3: Linear Developments

Fact Sheet 4: Public Works

Fact Sheet 5: Parks

Fact Sheet 6: RV Parks and Campgrounds

Fact Sheet 7: Landscaping

Fact Sheet 8: Homeowners

Fact Sheet 9: Golf Courses
