

**ORDER – Wildlife Habitat Areas # 5-037 to 5-043**  
**Grizzly Bear - Central Cariboo Forest District**

This order is given under the authority of sections 9(2) and 10(1) of the *Government Actions Regulation* (B.C. Reg. 582/04).

The Deputy Minister of Environment orders that:

1. the wildlife habitat areas shown in the map set out in the attached Schedule A (5-037 to 5-043) and boundaries contained in the GIS file *twha\_bc* are established;
2. the wildlife habitat area in the attached Schedule A and boundaries contained in the GIS file *twha\_bc* are established for Grizzly Bear (*Ursus arctos*);
3. the general wildlife measures outlined in Schedule 1 are established for the wildlife habitat area in the attached Schedule A and boundaries contained in the GIS file *twha\_bc*;
4. for the purposes of section 2(3)(a) of the *Government Actions Regulation*, these General Wildlife Measures apply to minor tenures; and
5. where there is discrepancy between the wildlife habitat area boundaries as shown in the attached Schedule A and the GIS file *twha\_bc*, the boundaries as detailed in the GIS file will take precedent. The centre point of the line on the map denoting the wildlife habitat area is what establishes the boundary.

## Schedule 1 - General Wildlife Measures

### *Access*

1. a) Roads, trails or landings are not to be constructed within the Wildlife Habitat Areas established by this Order.
- b) Despite a) a main operational road may be constructed through WHA 5-037 and WHA 5-038 to allow access to otherwise isolated timber.
- c) Construction and use of the road may not occur between April 15 and July 15 of each year.
- d) The Ministry of Environment Regional Manager must be notified at the time of road construction through WHA 5-037 or WHA 5-038.

### *Harvesting and silviculture*

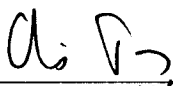

2. Primary forest activities will result in protection of the forest cover and plant communities within the boundaries of the Wildlife Habitat Areas established by this Order.

### *Pesticides*

3. Pesticides (including herbicides) shall not be utilized to manage vegetation within the boundaries of the Wildlife Habitat Area established by this Order.

### *Range*

4. Range developments such as but not limited to, watering holes, fences, salt blocks, corrals, access roads or livestock trails, will be constructed in a manner that will result in reduced contact and competition between livestock and grizzly bears in the Wildlife Habitat Areas established by this order.

  
Signed this 16<sup>th</sup> day of May, 2007  
Chris Trumpy, Deputy Minister  
Ministry of Environment
