

ORDER

AMENDMENT FOR UNGULATE WINTER RANGE U-1-005, UNIT 158

This order is given under the authority of Sections 9(2) and 12(1) of the Government Actions Regulation (B.C. Reg. 582/2004).

The Director of Resource Management of the West Coast Region, Ministry of Forests, Lands and Natural Resource Operations orders that:

1. the boundary of Unit 158 in Ungulate Winter Range U-1-010 is amended as shown on the attached map "Ungulate Winter Range U-1-005 Unit 158 Amendment", and contained in the UWR spatial layer stored in the GeoBC Geographic Warehouse:
(WHSE_WILDLIFE_MANAGEMENT.WCP_UNGULATE_WINTER_RANGE_SP). The centre point of the line on the map denoting the UWR is what establishes the boundary;
2. the boundary replaces the boundary approved for Unit 158 on June 20, 2006, for Black-tailed Deer (*Odocoileus hemionus columbianus*) and Roosevelt Elk (*Cervus elaphus roosevelti*),
3. where there is any discrepancy between the UWR boundaries as shown in the attached map and the UWR spatial layer stored in the GeoBC Geographic Warehouse, the boundaries as detailed in the UWR spatial file will take precedent; and,
4. the general wildlife measures established for Ungulate Winter Range U-1-005 on June 20, 2006, continue to apply.

Signed this 27 day of June, 2013

Larry Barr P. Agr.
Director, Resource Management
West Coast Region
Ministry of Forests, Lands and Natural Resource Operation
