

## ORDER

### AMENDMENT FOR UNGULATE WINTER RANGE #U-1-010 UNIT 8

This order is given under the Authority of *Sections 9(2) and 12(1) of the Government Actions Regulation (B.C. Reg. 582/2004)*.

The Director of Resource Management of the West Coast Natural Resource Region, Ministry of Forests, Lands and Natural Resource Operations orders that:

1. The boundary of Unit 8 in Ungulate Winter Range (UWR) U-1-010 is amended, as shown on the attached map "Amendment to UWR U-1-010 Polygon Unit No. 8" and contained in the UWR spatial layer stored in the GeoBC Geographic Warehouse (WHSE\_WILDLIFE\_MANAGEMENT.WCP\_UNGULATE\_WINTER\_RANGE\_SP). The centre point of the line on the map denoting the UWR is what establishes the boundary.
2. The boundary replaces the boundary approved for Unit 8 on May 16, 2007, for Black-tailed Deer (*Odocoileus hemionus columbianus*) and Roosevelt Elk (*Cervus elaphus roosevelti*).
3. Where there is any discrepancy between the UWR boundaries as shown in the attached map and the UWR spatial layer stored in the GeoBC Geographic Warehouse, the boundaries as detailed in the UWR spatial file will take precedent.
4. The general wildlife measures established for UWR U-1-010 on May 16, 2007, continue to apply.

Signed this 8<sup>th</sup> day of February, 2017
