

ORDER

AMENDMENT FOR UNGULATE WINTER RANGE #U-1-014 UNIT F02e

This order is given under the authority of sections 9(2) and 12(1) of the Government Actions Regulation (B.C. Reg. 582/2004).

The Director of Resource Management of the West Coast Region, Ministry of Forests, Lands and Natural Resource Operations orders that:

1. the boundary of Unit F02e in Ungulate Winter Range U-1-014 is amended, as shown on the attached map "Ungulate Winter Range U-1-014 Unit F02e Amendment" and contained in the UWR spatial layer stored in the GeoBC Geographic Warehouse (WHESE_WILDLIFE_MANAGEMENT.WCP_UNGULATE_WINTER_RANGE_SP). The centre point of the line on the map denoting the UWR is what establishes the boundary;
2. the boundary replaces the boundary approved for Unit F02e on December 14, 2004, for Black-tailed Deer (*Odocoileus hemionus columbianus*) and Roosevelt Elk (*Cervus elaphus roosevelti*);
3. where there is any discrepancy between the UWR boundaries as shown in the attached map and the UWR spatial layer stored in the GeoBC Geographic Warehouse, the boundaries as detailed in the UWR spatial file will take precedent; and,
4. the general wildlife measures established for Ungulate Winter Range U-1-014 on December 14, 2004, continue to apply.

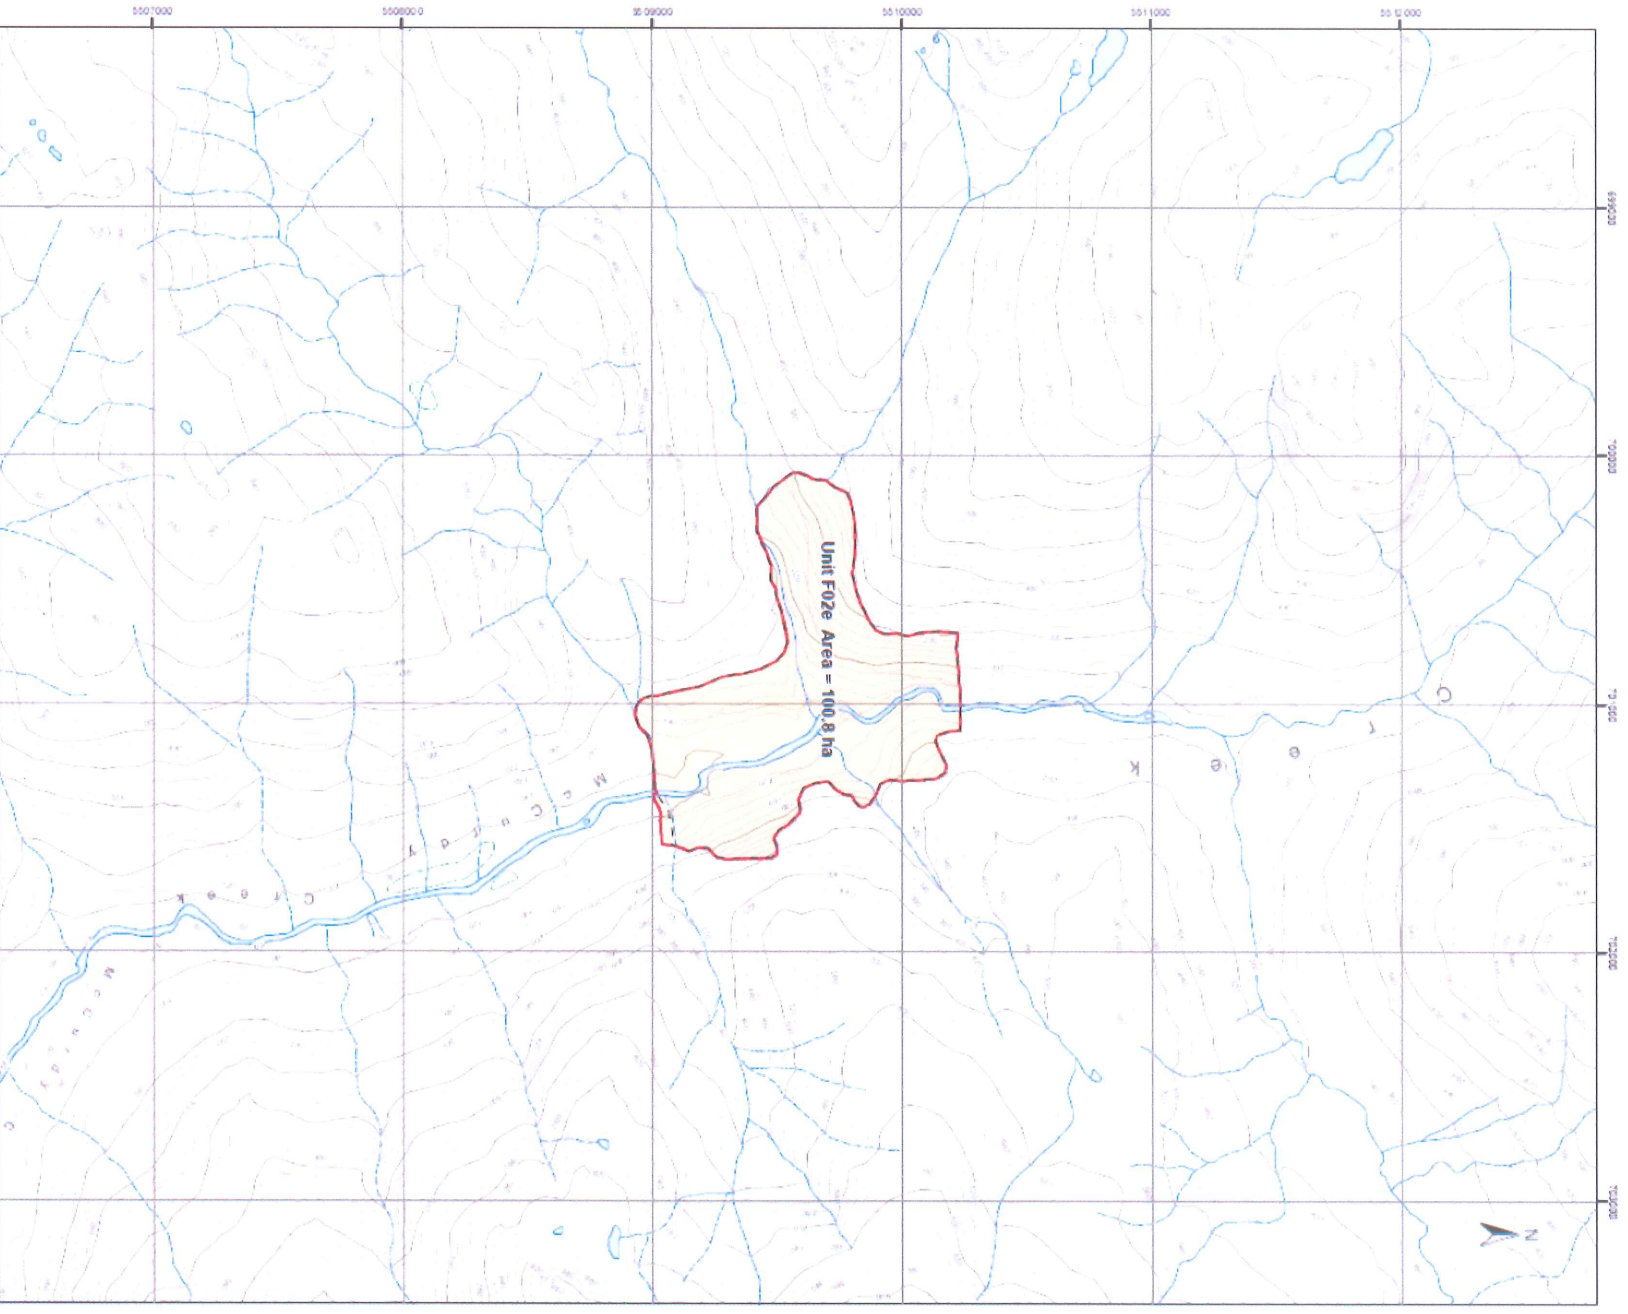

Signed this 31st day of July, 2014

Larry Barr P. Agr.

Director, Resource Management
West Coast Region
Ministry of Forests, Lands and Natural Resource Operation
