

ORDER – AMENDMENT TO UNGULATE WINTER RANGE U-1-017,
Unit # 6

This order is given under the authority of sections 9(2) and 12(1) of the *Government Actions Regulation* (B.C. Reg. 582/2004).

The Deputy Minister of the Ministry of Environment orders that:

1. the boundary of Unit # 6 in ungulate winter range U-1-017 is amended as shown on the attached map “Amendment to UWR U-1-017 Polygon Unit No. 6” and in the GIS file *tuwra_bc*. The aforementioned boundary replaces the boundary approved for Unit# 6 of U-1-017 on November 21, 2003 for black-tailed deer (*Odocoileus hemionus columbianus*) and Roosevelt elk (*Cervus elaphus roosevelti*);
2. where there is any discrepancy between the ungulate winter range boundaries as shown in the attached map and the GIS file, the boundaries as detailed in the GIS file will take precedent. The centre point of the line on the map denoting the ungulate winter range is what establishes the boundary; and
3. the objectives established for ungulate winter range U-1-017 on November 21, 2003 apply to the amended boundary of Unit # 6, U-1-017.

Signed this 16th day of May, 2007
Chris Trumpy, Deputy Minister
Ministry of Environment
