

ORDER – AMENDMENT TO UNGULATE WINTER RANGE U-1-003, Unit 7

This order is given under the authority of sections 9(2) and 12(1) of the *Government Actions Regulation* (B.C. Reg. 582/2004).

The Deputy Minister of the Ministry of Environment orders that:

1. the boundary of unit 7 in Ungulate Winter Range (UWR) U-1-003 is amended as shown on the attached map “Amendment to UWR U-1-003, Polygon Unit No. 7”, and contained in the UWR spatial layer stored in the Land and Resource Data Warehouse (*tuwra_bc*). The centre point of the line on the map denoting the UWR is what establishes the boundaries;
2. this boundary replaces the boundary approved for unit 7 on 23 May 2006, for black-tailed deer (*Odocoileus hemionus columbianus*) and mountain goat (*Oreamnus americanus*);
3. where there is any discrepancy between the UWR boundaries as shown in the attached map and the UWR spatial layer stored in the Land and Resource Data Warehouse (*tuwra_bc*), the boundaries as detailed in the UWR spatial file will take precedent; and,
4. the general wildlife measures established for ungulate winter range U-1-003 on 23 May 2006 apply to the amended boundaries of unit 7.

Signed this 17 day of March, 2009
Doug Konkin, Deputy Minister
Ministry of Environment
