

## ORDER

### AMENDMENT FOR UNGULATE WINTER RANGE #U-1-011 UNITS NAH-03, NAH-04A, NAH-07 and NAH-09

This order is given under the Authority of Sections 9(2) and 12(1) of the Government Actions Regulation (B.C. Reg. 582/2004).

The Director of Resource Management of the West Coast Natural Resource Region, Ministry of Forests, Lands, Natural Resource Operations and Rural Development orders that:

1. The boundaries of Units NAH-03, NAH-04A, NAH-07 and NAH-09 in Ungulate Winter Range U-1-011 are amended, as shown on the attached maps “Amendment to UWR U-1-011 Units NAH-03, NAH-04A, NAH-09” and “Amendment to UWR U-1-011 Unit NAH-07” and contained in the UWR spatial layer stored in the GeoBC Geographic Warehouse (WHSE\_WILDLIFE\_MANAGEMENT.WCP\_UNGULATE\_WINTER\_RANGE\_SP). The centre point of the line on the map denoting the UWR is what establishes the boundary.
2. The boundaries replace the boundaries approved for Units NAH-03, NAH-04A, NAH-07 and NAH-09 on June 9, 2006 for Black-tailed deer (*Odocoileus hemionus columbianus*), Roosevelt elk (*Cervus elaphus roosevelti*), Rocky mountain goat (*Oreamnus americanus*), and Moose (*Alces alces*).
3. Where there is any discrepancy between the UWR boundaries as shown in the attached map and the UWR spatial layer stored in the GeoBC Geographic Warehouse, the boundaries as detailed in the UWR spatial file will take precedent.
4. The general wildlife measures established for UWR U-1-011 on May 16, 2007, continue to apply.

Signed this 23<sup>rd</sup> day of November, 2018
