

ORDER

AMENDMENT FOR UNGULATE WINTER RANGE #U-1-014 UNIT O01d

This order is given under the Authority of *Sections 9(2) and 12(1) of the Government Actions Regulation* (B.C. Reg. 582/2004).

The Director of Resource Management of the West Coast Natural Resource Region, Ministry of Forests, Lands, Natural Resource Operations and Rural Development orders that:

1. The boundary of Unit O01d in Ungulate Winter Range (UWR) U-1-014 is amended, as shown on the attached map “Amendment to UWR U-1-014 Unit O01d” and contained in the UWR spatial layer stored in the GeoBC Geographic Warehouse (WHSE_WILDLIFE_MANAGEMENT.WCP_UNGULATE_WINTER_RANGE_SP). The centre point of the line on the map denoting the UWR is what establishes the boundary.
2. The boundary replaces the boundary approved for Unit O01d on December 14, 2004, for Black-tailed Deer (*Odocoileus hemionus columbianus*) and Roosevelt Elk (*Cervus elaphus roosevelti*).
3. Where there is any discrepancy between the UWR boundaries as shown in the attached map and the UWR spatial layer stored in the GeoBC Geographic Warehouse, the boundaries as detailed in the UWR spatial file will take precedent.
4. The general wildlife measures established for UWR U-1-014 on December 14, 2004, continue to apply.

Signed this 11 day of April, 2018

Larry Barr P. Ag.
Director, Resource Management
West Coast Natural Resource Region
Ministry of Forests, Lands, Natural Resource Operations and Rural Development
