

## ORDER

### AMENDMENT FOR UNGULATE WINTER RANGE U-1-014 UNIT Q06e B

This order is given under the Authority of *Sections 9(2) and 12(1) of the Government Actions Regulation* (B.C. Reg. 582/2004).

The Director, Resource Management, Regional Operations Division – Coast Area, West Coast Region of the BC Ministry of Forests orders that:

1. The boundary of Unit Q06e\_B in Ungulate Winter Range (UWR) U-1-014 is amended, as shown on the attached map “Amendment to UWR U-1-014 Polygon Unit No. Q06e\_B” and contained in the UWR spatial layer stored in the GeoBC Geographic Warehouse (WHSE\_WILDLIFE\_MANAGEMENT.WCP\_UNGULATE\_WINTER\_RANGE\_SP). The centre point of the line on the map denoting the UWR is what establishes the boundary.
2. The boundary replaces the boundary approved for Unit Q06e\_B on November 9, 2007, for Roosevelt Elk (*Cervus elaphus roosevelti*).
3. Where there is any discrepancy between the UWR boundaries as shown in the attached map and the UWR spatial layer stored in the GeoBC Geographic Warehouse, the boundaries as detailed in the UWR spatial file will take precedent.
4. The general wildlife measures established for UWR U-1-014 on November 9, 2007, continue to apply.

Signed this 15<sup>th</sup> day of November, 2022
