

ORDER – AMENDMENT TO UNGULATE WINTER RANGE U-4-012, UNIT 1

This order is given under the authority of sections 9(2) and 12(1) of the *Government Actions Regulation* (B.C. Reg. 582/2004).

1. The South Area Executive Director of the Ministry of Water, Land and Resource Stewardship orders that:
 - a. The boundary of unit 1 in Ungulate Winter Range (UWR) U-4-012 is amended as shown on the attached map “Ungulate Winter Range Amendment Kootenay Boundary Region (4) UWR U-4-012, Unit No. 1” and is contained in the UWR spatial layer stored in the British Columbia Geographic Warehouse (WHSE_WILDLIFE_MANAGEMENT.WCP_UNGULATE_WINTER_RANGE_SP). The centre point of the line on the map denoting the UWR is what establishes the boundary.
 - b. These boundaries replace the boundaries approved for unit 1 on December 1, 2010 for mountain caribou (*Rangifer tarandus*).
 - c. Where there is any discrepancy between the UWR boundaries as shown in the attached map and the UWR spatial layer stored in the British Columbia Geographic Warehouse, the boundaries as detailed in the UWR spatial file will take precedence.
 - d. The general wildlife measures approved for UWR U-4-012 on December 9, 2009 apply to the amended boundaries.

Signed this 7th day of March, 2025

Eric Valdal, South Area Executive Director
Kootenay Boundary Region
Ministry of Water, Land and Resource Stewardship

Ungulate Winter Range Amendment Kootenay Boundary Region (4) UWR U-4-012, Unit No. 1
