

## ORDER

### AMENDMENT FOR UNGULATE WINTER RANGE #U-5-005 UNIT 14-202

This order is given under the authority of sections 9(2) and 12(1) of the Government Actions Regulation (B.C. Reg. 582/2004).

The Director of Resource Management of the West Coast Natural Resource Region, Ministry of Forests, Lands, Natural Resource Operations and Rural Development orders that:

1. the boundary of Unit 14-202 in Ungulate Winter Range U-5-005 is amended, as shown on the attached map “Amendment to UWR U-5-005 Polygon Unit No. 14-202” and contained in the UWR spatial layer stored in the GeoBC Geographic Warehouse (WHSE\_WILDLIFE\_MANAGEMENT.WCP\_UNGULATE\_WINTER\_RANGE\_SP). The centre point of the line on the map denoting the UWR is what establishes the boundary;
2. the boundary replaces the boundary approved for Unit 14-202 on July 14, 2016, for coastal black-tailed deer (*Odocoileus hemionus columbianus* and *Odocoileus hemionus sitkensi*);
3. where there is any discrepancy between the UWR boundaries as shown in the attached map and the UWR spatial layer stored in the GeoBC Geographic Warehouse, the boundaries as detailed in the UWR spatial file will take precedent; and,
4. the general wildlife measures established for ungulate winter range U-5-005 on July 14, 2016, continue to apply.

Signed this 17<sup>th</sup> day of November, 2017

Larry Barr P. Ag.

Director, Resource Management

West Coast Natural Resource Region

Ministry of Forests, Lands, Natural Resource Operations and Rural Development
