

ORDER – AMENDMENT TO UNGULATE WINTER RANGE U-6-001,
Polygon Unit No. Mg-067

This order is given under the authority of sections 9(2) and 12(1) of the *Government Actions Regulation* (B.C. Reg. 582/2004).

The Deputy Minister of the Ministry of Environment orders that:

1. the boundary of polygon unit no. Mg-067 in ungulate winter range U-6-001 is amended as shown on the attached map “Amendment to UWR U-6-001, Polygon Unit No. Mg-067” and in the GIS file *tuwra_bc*. The aforementioned boundary replaces the boundary approved for unit no. Mg-067 of U-6-001 on November 24, 2005 for mountain goat (*Oreamnos americanus*);
2. where there is any discrepancy between the ungulate winter range boundaries as shown in the attached map and the GIS file, the boundaries as detailed in the GIS file will take precedent. The centre point of the line on the map denoting the ungulate winter range is what establishes the boundary; and
3. the general wildlife measures established for ungulate winter range U-6-001 on November 24, 2005 apply to the amended boundary of unit no. Mg-067, U-6-001.

Signed this 4th day of December, 2006
Chris Trumpy, Deputy Minister
Ministry of Environment
