

**ORDER – AMENDMENT TO UNGULATE WINTER RANGE U-6-001,  
UNIT Mg-067**

This order is given under the authority of sections 9(2) and 12(1) of the *Government Actions Regulation* (B.C. Reg. 582/2004).

1. The Deputy Minister of the Ministry of Environment orders that:
  - a) the boundaries of unit Mg-067 in Ungulate Winter Range (UWR) U-6-001 are amended as shown on the attached map “Amendment to UWR U-6-001, Polygon Unit No. 067”, and contained in the UWR spatial layer stored in the Geographic Warehouse (*tuwra\_bc*). The centre point of the line on the map denoting the UWR is what establishes the boundary;
  - b) these boundaries replace the amended boundaries made effective for unit Mg-067 on December 7, 2006, for mountain goat (*Oreamnos americanus*);
  - c) where there is any discrepancy between the UWR boundaries as shown in the attached map and the UWR spatial layer stored in the Geographic Warehouse (*tuwra\_bc*), the boundaries as detailed in the UWR spatial file will take precedent; and
  - d) the general wildlife measures made effective for UWR U-6-001 on December 1, 2005 continue to apply to the amended boundaries of unit Mg-067 as described in this order.

Signed this 28 day of April, 2010  
Doug Konkin, Deputy Minister  
Ministry of Environment
