

ORDER – AMENDMENT TO UNGULATE WINTER RANGE U-1-014, Unit F01d

This order is given under the authority of sections 9(2) and 12(1) of the *Government Actions Regulation* (B.C. Reg. 582/2004).

The Deputy Minister of the Ministry of Environment orders that:

1. the boundary of Unit F01d in ungulate winter range U-1-014 is amended as shown on the attached map “Amendment to UWR U-1-014, Polygon Unit # F01d” and in the GIS file *tuwra_bc*. The aforementioned boundary replaces the boundary approved for Unit F01d of U-1-014 on December 14, 2004 for black-tailed deer (*Odocoileus hemionus columbianus*) and Roosevelt elk (*Cervus elaphus roosevelti*);
2. where there is any discrepancy between the ungulate winter range boundaries as shown in the attached map and the GIS file, the boundaries as detailed in the GIS file will take precedent. The centre point of the line on the map denoting the ungulate winter range is what establishes the boundary; and
3. the general wildlife measures established for ungulate winter range U-1-014 on December 14, 2004 apply to the amended boundary of Unit F01d, U-1-014.

Signed this 30th day of Jan, 2006
Chris Trumpy, Deputy Minister
Ministry of Environment
