

**ORDER – AMENDMENT TO UNGULATE WINTER RANGE U-1-005, Unit 144**

This order is given under the authority of sections 9(2) and 12(1) of the *Government Actions Regulation* (B.C. Reg. 582/2004).

The Deputy Minister of the Ministry of Environment orders that:

1. the boundary of unit 144 in ungulate winter range U-1-005 is amended as shown on the attached map “Amendment to UWR U-1-005, Polygon Unit No. 144” and in the GIS file *tuwra\_bc*. This boundary replaces the boundary approved for unit 144 on May 16, 2007 for black-tailed deer (*Odocoileus hemionus columbianus*), Roosevelt elk (*Cervus elaphus roosevelti*) and mountain goat (*Oreamnos americanus*);
2. where there is any discrepancy between the ungulate winter range boundary as shown in the attached map and the GIS file *tuwra\_bc*, the boundary as detailed in the GIS file will take precedent. The centre point of the line on the map denoting the ungulate winter range is what establishes the boundary; and
3. the general wildlife measures established for ungulate winter range U-1-005 on May 16, 2007 apply to the amended boundary of unit 144.

  
Signed this 9<sup>th</sup> day of November, 2007  
Joan Hesketh, Deputy Minister  
Ministry of Environment
