

**ORDER – AMENDMENT TO UNGULATE WINTER RANGE U-1-005, Units 58
and 86**

This order is given under the authority of sections 9(2) and 12(1) of the *Government Actions Regulation* (B.C. Reg. 582/2004).

The Deputy Minister of the Ministry of Environment orders that:

1. the boundaries of units 58 and 86 in ungulate winter range U-1-005 are amended as shown on the attached maps “Amendment to UWR U-1-005, Polygon Unit No. 58”, “Amendment to UWR U-1-005, Polygon Unit No. 86” and in the GIS file *tuwra_bc*. These boundaries replace the boundaries approved for units 58 and 86 on June 20, 2006, for black-tailed deer (*Odocoileus hemionus columbianus*) and Roosevelt elk (*Cervus elaphus roosevelti*);
2. where there is any discrepancy between the ungulate winter range boundaries as shown in the attached map and the GIS file *tuwra_bc*, the boundaries as detailed in the GIS file will take precedent. The centre point of the line on the map denoting the ungulate winter range is what establishes the boundaries; and
3. the general wildlife measures established for ungulate winter range U-1-005 on June 20, 2006 apply to the amended boundaries of units 58 and 86.

Signed this 17 day of Mar, 2008

Joan Hesketh, Deputy Minister
Ministry of Environment
