

## ORDER

### WILDLIFE HABITAT AREAS

#### MAJOR BOUNDARY AMENDMENT FOR WHA-1-023

This order is given under the authority of Sections 9(2) and 10(1) of the *Government Actions Regulation* (B.C. Reg. 582/2004).

1. The Assistant Deputy Ministry, Land Use Policy, Planning and Ecosystems Division, Ministry of Land, Water and Resource Stewardship orders that:
  - a. The boundary of Wildlife Habitat Area (WHA) 1-023 is amended as shown on “**Amendment to WHA 1-023**” and is contained in the WHA spatial layer stored in the GeoBC Geographic Warehouse (WHSE\_WILDLIFE\_MANAGEMENT.WCP\_WILDLIFE\_HABITAT\_AREA\_POLY). The centre point of the line on the map denoting the WHA is what establishes the boundary;
  - b. This boundary replaces the boundary approved for WHA-1-023 on January 15, 2003, for Marbled Murrelet (*Brachyramphus marmoratus*);
  - c. Where there is any discrepancy between the WHA boundaries as shown in the attached map and the WHA spatial layer stored in the GeoBC Geographic Warehouse, the boundaries as detailed in the WHA spatial file will take precedent; and,
  - d. The general wildlife measures approved for WHA-1-023 on January 15, 2003 continue to apply.

Signed this 22 day of August, 2022
