

Note 05-21-2025. WHA 1-183 was rescinded and replaced in May 2025 by a new order. Please refer to the most recent order that applies to this area.

GOVERNMENT ACTIONS REGULATION ORDER
Boundary Amendments for Wildlife Habitat Areas 1-183 and 1-186

This order is given under the authority of Sections 9(2) and 10(1) of the Government Actions Regulation (GAR) (B.C. Reg. 582/2004).

1. The Assistant Deputy Minister, Coast Area, Ministry of Forests, Lands, Natural Resource Operations and Rural Development orders that:
 - a. The boundary of Wildlife Habitat Area (WHA) 1-183 and 1-186 is amended as shown on maps; “**Amended WHA 1-183**” and “**Amended WHA 1-186**”, and is contained in the WHA spatial layer stored in the GeoBC Geographic Warehouse (WHSE_WILDLIFE_MANAGEMENT.WCP_WILDLIFE_HABITAT_AREA_POLY). The centre point of the line on the map denoting the WHA is what establishes the boundary;
 - b. This boundary replaces the boundary approved for WHA-1-183 and 1-186 on December 4, 2006 for Marbled Murrelets (*Brachyramphus marmoratus*)
 - c. Where there is any discrepancy between the WHA boundaries as shown in the attached maps and the WHA spatial layer stored in the GeoBC Geographic Warehouse, the boundaries as detailed in the WHA spatial file will take precedent; and,
 - d. The general wildlife measures approved for WHA-1-183 and 1-186 on December 4, 2006 continue to apply.

Signed this 23rd day of March, 2018.

Craig Sutherland
Assistant Deputy Minister, Coast Area
Ministry of Forests, Lands, Natural Resource Operations
and Rural Development
