FINAL WATER LICENCE

(Storage)

WHEREAS OSCAR JOHNSON, whose
address is Princeton, B.C.

is the owner of the land, mine, or undertaking to which Conditional Licence No. 6011 was made appurtenant, and is the applicant for this licence and

Whereas satisfactory proof has been duly filed, and it has been shown to the satisfaction of the Comptroller that the terms of the said conditional licence have been complied with satisfactorily, and particularly that the works for the storage of the water under the said licence have been completed; and

Whereas a licence or record has been previously issued or made in respect of the said land, mine, or undertaking, being ^{Final} Licence No. 6312 (hereinafter called the "diversion licence"), authorizing the beneficial use of 25 acre-feet of water per annum
(Quantity.)

for Irrigation purpose, which quantity of water, the water to be stored under the licence hereby issued, is intended to supply in whole or in part; and it appearing that the water authorized to be stored under the conditional licence first above mentioned has been put to a beneficial use:

Now, therefore, in pursuance of the "Water Act," this final licence is issued, granting the licensee thereunder the right to store water under the following terms and conditions:—

(a.) The source of the supply is Missequia Lake
and the reservoir is the said lake

(b.) The point or points of diversion from the stream or streams, and the points where the stored water is to be placed in and taken from any natural watercourse or any dry gulch or draw is shown in the exhibit marked "A," hereto attached, which is incorporated herewith and made a part hereof, the original of which exhibit is on file in the office of the Comptroller of Water Rights, Parliament Buildings, Victoria.

(c.) The date from which this licence and the right to store water thereunder shall take precedence is 1st April 1921

(d.) The purpose for which the stored water is to be used is that set out in the diversion licence or record.

(e.) The maximum quantity of water which may be stored under this licence, estimated for the time being at 25 acre-feet per annum, is such quantity as, together with the quantity of natural-flow water used under the diversion licence or record will be necessary to secure to the licensee the quantity to which he is entitled under the said diversion licence or record.

(f.) The period of the year during which the water may be stored is 1st October to 15th June

and the licensee shall so store the same subject to the approval of the Engineer of the Water District.
