

ORDER

Water Act

Section 18 (e)

File No: 0150351

In the matter of Final Water Licence No. F014457 which authorizes the diversion and use of 4317 cubic metres per year of water from Graham Creek for irrigation purpose and is appurtenant to Block E, Registered Plan 2999, Victoria Land Registration District of Section 14, Range 1 East, South Saanich District of which 3.5 acres may be irrigated.

Having determined that the appurtenancy is inadequately described in the licence, and being satisfied that no person's rights will be injuriously affected, I hereby amend the licence to read as follows:

- (g) The land upon which the water is to be used and to which this licence is appurtenant is Lot E, Section 14, Range 1 East, South Saanich District, Plan 2999 except part in Plan 883RW of which 1.42 hectares may be irrigated.

DATED at Nanaimo, British Columbia, this 16th day of May, 2014.

John Baldwin
Assistant Regional Water Manager
