

THE PROVINCE OF BRITISH COLUMBIA—WATER ACT  
**CONDITIONAL WATER LICENCE**

Glacier Waterfalls Export Ltd. of 7064 Kamloops Street, Powell River, B.C.  
V8A 1M7

is hereby authorized to divert and use water as follows:

- (a) The stream on which the rights are granted is Alpine Creek.
- (b) The point of diversion is located as shown on the attached plan.
- (c) The date from which this licence shall have precedence is 13th October, 1977.
- (d) The purpose for which this licence is issued is industrial (marine bulk export).
- (e) The maximum quantity of water which may be diverted is 200 acre feet per annum, provided that water shall not be diverted at a rate exceeding 20 cubic feet per second.
- (f) Water may be diverted throughout the whole year.
- (g) The licence is appurtenant to the export project of the licensee being operated within Crown foreshore in Toba Inlet, Range 1, Coast District, occupied by the licensee under Licence of Occupation No. 231319, or any form of tenure issued in substitution thereof by the Ministry of Lands, Parks and Housing.
- (h) The works authorized to be constructed are diversion structure, pipe and loading facilities, which shall be located approximately as shown on the attached plan. In addition, the licensee will be required to install a stream flow measuring station when and as ordered by the Comptroller of Water Rights.
- (i) The licensee shall not begin to construct the works until plans prepared by an engineer registered in British Columbia have been submitted to and leave to commence the construction is granted by the Comptroller of Water Rights.
- (j) The construction of the said works shall be completed and the water beneficially used prior to the 31st day of December, 1989. Thereafter the licensee shall maintain the works to a standard set by the Comptroller of Water Rights and continue to make a regular beneficial use of the water in the manner authorized herein.
- (k) The licensee shall continuously monitor and provide stream flow records when as ordered by the Comptroller of Water Rights.
- (l) The licensee shall annually provide the Comptroller of Water Rights with certified measurements of the volume of water used during the preceding calendar year.
- (m) This licence is issued for an initial term of fifteen (15) years. Upon application, the term of the licence may be extended by the Comptroller of Water Rights. Unless extended, this licence shall expire on the 17th day of July, 2001.

WATER ACT

Section 15

File No. 0342192

IN THE MATTER OF Conditional Water Licence 64737, which authorizes the diversion of water from Alpine Creek for industrial (bulk export by marine transport) purpose; is made appurtenant to the export project of the licensee being operated within Crown foreshore in Toba Inlet, Range 1, Coast District, occupied by the licensee under Licence of Occupation No. 231319; and requires that the construction of works be completed and the water beneficially used prior to the 31st day of December, 1989.

Having received a request for an extension of the time allowed to complete the construction of works and having determined that Licence of Occupation No. 233330 has been issued in substitution of Licence of Occupation No. 231319, and being satisfied that no person's rights will be injuriously affected,

I hereby amend clauses (g) and (j) of the said licence to read as follows:

- (g) This licence is appurtenant to the export project of the licensee being operated within Crown foreshore in Toba Inlet, Range 1, Coast District, occupied by the licensee under Licence of Occupation No. 233330, or any form of tenure issued in substitution thereof.
- (j) The construction of the said works shall be completed and the water beneficially used prior to the 31st day of December, 1991. Thereafter, the licensee shall maintain the works to a standard set by the Comptroller of the Water Rights and continue to make a regular beneficial use of water in the manner authorized herein.

Dated at Victoria, B.C. this 3rd day of August, 1990.
