Water Sustainability Act

Section 26 (e)

File No: 0221080

In the matter of Final Water Licence No. F070341 which authorizes the diversion and use of water from Stewart Creek for domestic purpose and is appurtenant to Lot 2 of Lot 54, Nanoose District, Plan 12829.

Having determined that the appurtenancy is inadequately described in the licence, and being satisfied that no person's rights will be injuriously affected, I hereby amend clause (g) of said licence to read as follows:

- (g) The land upon which the water is to be used and to which this licence is appurtenant is Lot A of District Lot 54, Nanoose District, and part formerly the bed of the Strait of Georgia, Nanaimo District, Plan VIP70201.

DATED at Nanaimo, British Columbia, this 20th day of April, 2016.
