

**ORDER**

*Water Act*

**Section 18**

File No: 1000444

In the matter of Conditional Water Licence No. C072276 which authorizes the diversion and use of water from Broughton Creek for industrial (marina) purpose and is appurtenant to that land on Broughton Island within Range 1, Coast District, held under Licence of Occupation 101766 (Lands File 1402882).

Having determined that the appurtenancy is inadequately described in the licence, and being satisfied that no person's rights will be injuriously affected, I hereby amend the licence clauses to read as follows:

- (g) The land upon which the water is to be used and to which this licence is appurtenant is the marina project of the licensee within unsurveyed Crown foreshore or land covered by water being part of the bed of Greenway Sound, Range 1, Coast District, tenured under the *Land Act*, held under Lands File No. 1402882.
- (j) This licence will remain valid only for so long as a valid *Land Act* tenure exists for the land described in clause (g) herein, or the licensee acquires ownership of the said land.

DATED at Nanaimo, British Columbia, this 16<sup>th</sup> day of July, 2014.

John Baldwin  
Assistant Regional Water Manager
