
CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- (a) The source on which the rights are granted is Keynes Creek with the reservoirs being Smith Slough and Little Pond.
- (b) The points of diversion are located as shown on the attached plan.
- (c) The date from which this licence shall have precedence is 28th June, 1988.
- (d) The purposes for which this licence is issued are storage, irrigation and industrial (stock watering).
- (e) The maximum quantity of water which may be stored is 25 acre feet per annum and diverted is 22.3 acre feet per annum for irrigation purpose and 2000 gallons per day for industrial (stock watering) purpose.
- (f) The period of the year during which the water may be stored is 1st October to 1st June and used is 1st April to 30th September for irrigation and the whole year for industrial (stock watering).
- (g) The land upon which the water is to be used and to which this licence is appurtenant is the North East ¼, Section 3, Township 19, Range 18, West of the 6th Meridian, Kamloops Division Yale District, of which 9 acres may be irrigated.
- (h) The authorized works are diversion structure, ditch, dams and spillways which shall be located approximately as shown on the attached plan.
- (i) The construction of the said works has been completed and the water is being beneficially used. The licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- (j) This licence is issued pursuant to the provisions of the Water Act to ensure compliance with that statute, which makes it an offence to divert or use water from a stream in British Columbia without proper authorization. It is the responsibility of the licensee to ensure that all activities conducted under this authorization are carried out with regard to the rights of third parties, and comply with other applicable legislation that may be in force.
- (k) Construction or reconstruction of the dam shall not be commenced until plans have been submitted to and written leave to commence construction granted by an Engineer under the Water Act.
