## CONDITIONAL WATER LICENCE

The owner of the land to which this licence is appurtenant is hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Forestry Camp Creek .
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is June 23, 1992.
- d) The purpose for which this licence is issued is industrial ( fish hatchery).
- e) The maximum quantity of water which may be diverted is 4.23 cubic feet per second.or such other quantity as the Engineer may from time to time determine should be allowed.
- f) The period of the year during which the water may be used is all year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is that land within Block A of Lot 70, Clayoquot District, held under Licence of Occupation 102887 (Lands File 1404317).
- h) The works authorized to be constructed are dam, pipes, hatchery facility and rearing troughs, which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being beneficially used. The licensee shall continue to make a regular, beneficial use of water in the manner authorized herein.
- j) The diversion of water authorized under this licence may be restricted or prohibited at anytime by an order in writing of the Engineer under the Water Act, in order to maintain a minimum flow in the stream.
