

CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert, store and use water as follows:

- (a) The source of the water-supply is Quennell Lake.
- (b) The point of diversion and storage structure are located as shown on the attached plan.
- (c) The date from which this licence shall have precedence is 11th September, 1995.
- (d) The purposes for which this licence is issued are storage and irrigation.
- (e) The maximum quantity of water which may be stored is 12.0 acre feet per annum. The maximum quantity of water which may be used for irrigation is 11.5 acre feet per annum.
- (f) The period of the year during which the water may be diverted into storage is 1st November to 31st March and the water may be held in storage the whole year. The period of the year during which the water may be used for irrigation purpose is 1st April to 30th September.
- (g) The land upon which the water is to be used and to which this licence is appurtenant is that part of Section 4, Range 4, Cedar District, lying south east of Fish Hook lake, except part in Plan 24940.
- (h) The works authorized to be constructed are intake, pump, pipe, dugout and irrigation system, which shall be located approximately as shown on the attached plan.
- (i) The intake shall be adequately screened to prevent debris and fish from entering the works.
- (j) The water authorized to be used for irrigation purpose under this licence must be taken from storage provided in the dugout authorized in clause (h) hereof.
- (k) The diversion of water authorized under this licence may be restricted or prohibited at any time by an order in writing of the Engineer under the Water Act, in order to maintain a minimum flow in the stream.
- (l) The construction of the said works shall be completed and the water beneficially used, on or before the 31st day of December, 2002.

George Bryden
Assistant Regional Water Manager
