

CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- (a) The source on which the rights are granted is Campbell Creek.
- (b) The point of diversion is located as shown on the attached plan.
- (c) The date from which this licence shall have precedence is 21st May, 1998.
- (d) The purpose for which this licence is issued is irrigation.
- (e) The maximum quantity of water which may be diverted is 7.5 acre feet per annum.
- (f) The period of the year during which the water may be used is 1st April to 30th September.
- (g) The land upon which the water is to be used and to which this licence is appurtenant is Strata Lot 6, Section 17, Township 19, Range 16, West of the 6th Meridian, Kamloops Division Yale District, Strata Plan K559, of which 3 acres may be irrigated.
- (h) The authorized works are diversion structure, pump, pipe and sprinkler system which shall be located approximately as shown on the attached plan.
- (i) The construction of the said works shall be completed and the water shall be beneficially used prior to the 31st day of December 2006. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- (j) This licence is issued pursuant to the provisions of the Water Act to ensure compliance with that statute, which makes it an offence to divert or use water from a stream in British Columbia without proper authorization. It is the responsibility of the licensee to ensure that all activities conducted under this authorization are carried out with regard to the rights of third parties, and comply with other applicable legislation that may be in force.
- (k) The water authorized to be diverted and used under this licence must be taken from storage provided in Campbell Lake and Scuitto Lake under Conditional Water licence 14085 or any licence issued in substitution thereof.
- (l) The rights granted herein are exercisable only during such times as the licensee remains a member of the Campbell Creek water Users' Community and as long as the works under Conditional Water Licence 134085, or any licence issued in substitution thereof, are being maintained and operated to the satisfaction of an Engineer under the Water Act.
- (m) A flow measuring device suitable to an Engineer under the Water Act shall be incorporated into the works at the source.
