

CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized as follows:

- (a) The stream on which the rights are granted is Lens Creek.
- (b) The point of diversion is located as shown on the attached plan.
- (c) The date from which this licence shall have precedence is 17th March 2000.
- (d) The purpose for which this licence is issued is conservation (fish habitat enhancement).
- (e) The maximum quantity of water which may be diverted is 35 cubic feet per second.
- (f) The period of the year during which the water may be used is the whole year.
- (g) The land upon which the water is to be used and to which this licence is appurtenant is Section 18, Township 14, Renfrew District.
- (h) The works authorized to be constructed are a diversion structure with flow control, dyke and side channel which shall be located approximately as shown on the attached plan.
- (i) The intake shall be adequately screened to prevent debris and fish from entering the intake works.
- (j) The diversion of water into the side channel shall be restricted to a maximum of 10% of available Lens Creek flow during the period between 1st May and 30th September as directed by the Engineer under the Water Act.
- (k) The construction of the said works shall be completed and the water beneficially used, on or before the 31st day of December, 2004.
