
CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- (a) The source on which the rights are granted is Couatts Creek.
- (b) The point of diversion is located as shown on the attached plan.
- (c) The date from which this licence shall have precedence is 11th March, 1924.
- (d) The purpose for which this licence is issued is domestic.
- (e) The maximum quantity of water which may be diverted is 500 gallons per day.
- (f) The period of the year during which the water may be used is the whole year.
- (g) The land upon which the water is to be used and to which this licence is appurtenant is Lot C, District Lot 1239, Kootenay District, Plan NEP68184.
- (h) The authorized works are a division tank, diversion structure and pipe which shall be located approximately as shown on the attached plan.
- (i) The construction of the said works has been completed and the water is being beneficially used. The licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- (j) This licence is issued pursuant to the provisions of the Water Act to ensure compliance with that statute, which makes it an offence to divert or use water from a stream in British Columbia without proper authorization. It is the responsibility of the licensee to ensure that all activities conducted under this authorization are carried out with regard to the rights of third parties, and comply with other applicable legislation that may be in force.
- (k) All water authorized to be diverted and used under this licence shall pass through the existing division tank constructed to specifications set by an engineer under the *Water Act* and maintained by the licencees.
- (l) This licence authorizes the use of water for domestic purpose in one dwelling located approximately as shown on the attached plan.
- (m) This licence is issued in substitution of Final Water Licence 6568.
