Water Act

CONDITIONAL WATER LICENCE

The owner of the land to which this licence is appurtenant is hereby authorized to divert and use water as follows:

- (a) The streams on which the rights are granted are Miller Creek and South Miller Creek .
- (b) The points of diversion are located as shown on the attached plan Appendix "A".
- (c) The date from which this licence shall have precedence is **July 21, 2001**.
- (d) The purpose for which this licence is issued is **irrigation**.
- (e) The maximum quantity of water which may be diverted is **55 acre feet per annum** at a maximum rate of withdrawal of **300 imperial gallons a minute**.
- (f) The period of the year during which the water may be used is **1st April to 30th September**.
- (g) The land upon which the water is to be used and to which this licence is appurtenant is **Lot 7 of Plan 1477 and Lot 1 of Plan 8495, both of District Lots 188 and 498; and Lot A of Plan 18589 and Lot 2 of Plan 11020 both of District Lot 498, all within Lillooet Land District of which 55 acres may be irrigated**.
- (h) The works authorized for:
 - (1) use are as set out in Clause (h) under Conditional Water Licence 118520, or any licences issued in substitution thereof, which are located approximately as shown on the attached Appendix "A".
 - (2) construction under this licence are diversion structure, pipe and sprinkler system, which are located approximately as shown on the attached Appendix "B".
- (i) The construction of the said works has been completed and the water is being beneficially used. The licensee shall continue to make a regular beneficial use of the water in the manner authorized herein.
- (j) The diversion of water authorized under this licence may be restricted or prohibited at any time by an order in writing of the Regional Water Manager in order to maintain a minimum flow in the stream for the preservation of fish life.
