## CONDITIONAL WATER LICENCE

**The owners of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:**

- (a) The source on which the rights are granted is Maid Creek and the reservoir is Proctor Lake.
- (b) The point of diversion is located as shown on the attached plan.
- (c) The date from which this licence shall have precedence is 26<sup>th</sup> August, 1983.
- (d) The purpose for which this licence is issued is storage.
- (e) The maximum quantity of water which may be stored is 201.86 acre feet per annum.
- (f) The period of the year during which the water may be used is 1<sup>st</sup> October to 15<sup>th</sup> June.
- (g) The land upon which the water is to be used and to which this licence is appurtenant is in support of diversion licences held by members of the Proctor Lake Water Users Community.
- (h) The authorized works are dam, which shall be located approximately as shown on the attached plan.
- (i) The construction of the said works has been completed and the water is being beneficially used. Hereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- (j) Construction or reconstruction of the dam shall not commence until plans prepared by a Professional Engineer, registered in British Columbia, have been submitted to and written leave to commence construction granted by an Engineer under the Water Act.
- (k) This licence is issued pursuant to the provisions of the Water Act to ensure compliance with that statute, which makes it an offence to divert or use water from a stream in British Columbia without proper authorization. It is the responsibility of the licensee to ensure that all activities conducted under this authorization are carried out with regard to the rights of third parties, and comply with other applicable legislation that may be in force.
- (l) This licence is issued in substitution of Conditional Water Licence 64186 in part.
